NZCER was established in 1934 with philanthropic funding from the Carnegie Corporation. In 1945, we became an independent statutory body, and we operate under the New Zealand Council for Educational Research Act 1972. The Act sets out our official functions:

(a) to foster the study of, and research into, educational and other like matters, and to prepare and publish such reports on these matters as may in its opinion be necessary or of value to teachers or other persons

(b) to furnish information, advice, and assistance to persons and organisations concerned with education and other similar matters.

Te Tiriti o Waitangi

Te Tiriti o Waitangi (1840) underpins the work of Rangahau Mātauranga o Aotearoa | NZCER.

Te Tiriti o Waitangi, signed between Māori and the Crown, underpins our work at NZCER. We are committed to upholding the relational responsibilities both of kāwanatanga and of tino rangatiratanga within the education sector. Through our research, resources, and services, we support and advise both Tangata Whenua and Tangata Tiriti—those who have come to call Aotearoa their home—on educational matters in this land. Our Te Tiriti o Waitangi policy identifies how we give effect to the principles of te Tiriti, and how the preamble, articles, and whakapuaki lead NZCER's work and form our staff responsibilities.
